Nebo's Leadership and Life Curriculum

Learn New Strategies to Optimize Your Work / Life Integration

In today's highly competitive market, every executive must be a leader. Leadership roles come with significant responsibility in the workplace, which at times can compete with family obligations and other commitments. Balancing these external work priorities becomes a challenge.

Nebo's original Leadership and Life Curriculum is the right choice when you are looking for options to thrive at work and at home. We know that both are crucial to talented leaders who seek to bring out their best. Our Leadership and Life Curriculum is customized for each client to ensure that the content is relevant and immediately applicable to the client's company. We view the Curriculum development process as a co-creative process between each of our clients and us. A combination of our Leadership Courses and Life Courses provide the best means for developing lasting work / life integration strategies.

Sample Courses

- Leadership Communication: Using Communication to Influence and Inspire Results
- Your Authentic Leadership Presence
- Empowering Teams and Practice Groups
- E.Q.: The Differentiating Factor Between a Good Executive and a Great Leader
